

The new Kia

**STONIC**

The Power to Surprise

## Grasp every moment

Created for drivers who grasp every moment, push every boundary and relish every adventure, the Kia Stonic brings fresh excitement and a free spirit to the crossover experience. With its sleek muscular body, sporty compact styling, exceptional handling and outstanding performance – the new Kia Stonic is for those who always demand more from life.

## Escape the everyday

From first glance the new Kia Stonic sets its own rules, with looks that challenge convention. Its dynamic sporty appearance at the front is thanks to the 3-dimensional shape of the grille, vertical fog lamp housings and integrated bi-function headlamps with sharp LED 'Daytime Running Lights'. Add to that a choice of two-tone colour combinations and you have a style that simply says 'my life ... my way'.

## Seize every second

When you're in control, information is essential and the new Kia Stonic puts it right where you need it, while banishing any distractions. Bluetooth technology offers hands-free access to your phone using voice recognition, whilst the state-of-the-art information system with its floating colour touchscreen keeps you fully informed and entertained.

Please note that 7" screen is standard, but navigation is only available on K3 and K4 trim levels.

**1. 3.5-inch supervision cluster** Between the speedometer and tachometer, the screen displays auto and audio information. An optional TFT-LCD screen offers multiple languages and pop-up messages.

**2. Aux & USB front charger** A USB outlet lets you charge mobile phones and other devices, plus audio accessories can be connected via a 3.5 mm (analog) jack.

**3. Rear USB charging port** A USB jack at the rear of the centre console lets rear-seat occupants charge their devices, too.

**Bluetooth** In the new Stonic, Bluetooth technology gives you hands-free access to your phone and selected functions.

**Digital Audio Broadcasting (DAB+)** DAB uses a digital signal to deliver optimal clarity and performance over the radio, as well as programme and track information. (K3 + K4 trim levels only)

**Voice recognition** Voice recognition lets you navigate, place and take calls, listen to text messages, control audio and more – all by using your voice.

**7" colour screen navigation system** The multi-language system includes a high-definition 7" TFT-LCD screen and a reversing camera display. (K3 + K4 trim levels only)

# Where? When? How? The answer is here.

Our new navigation system with Kia's Connected Services powered by TomTom takes reliable route guidance to the next level of accuracy and excellence. It keeps you in touch with the outside world and offers more handy information than ever. At the heart is a Wi-Fi unit that enables the all-new Stonic's navigation system to connect to the Internet through your smartphone.\* (K3 and K4 models only).

Kia's innovative hotspot app uses your Android phone's Bluetooth to detect when a Kia navigation system is in range. It then switches on the hotspot to connect to the navigation system's Wi-Fi, and turns it off again when the communication with the car is interrupted or stopped – making it even more convenient to use Kia's Connected Services.

### 1. Live traffic\*\*

The navigation system delivers highly accurate live traffic information that is updated every two minutes, so you know exactly where traffic is running smoothly, or which areas to avoid. When things get busy, the system lets you know and suggests alternative routes.

### 2. Speed cameras\*\*

You'll also be alerted to a whole range of speed cameras, including fixed and stationary ones, as well as restricted access zones. The system can even take into account areas where accidents are particularly common, and warn you about these accident black spots.

### 3. Local search

If you're looking for a sushi restaurant, a supermarket or a particular place to meet, simply select Local search. The database contains 500 searchable categories, 25,000 keywords and 250,000 locations to ensure you find what you need.

### 4. Weather forecast

Is your weekend away going to be sunny or a washout? Better check the weather forecast. Just type in your destination to view a four-day summary, complete with minimum and maximum temperatures, wind speed and chances of sun or rain.

Kia's Connected Services powered by: **TOMTOM**

Android Auto and Apple CarPlay on K3 and K4 trims levels only

\*Smartphone with data plan required to activate services.

\*\*Legal restrictions to these services may apply depending on country usage.

android auto

Android Auto™ is designed to keep you perfectly connected to your phone – while minimizing distractions so you stay safe on the road. The simple, intuitive interface lets you access features like Google Maps, apps, music and voice control, and automatically organizes info into simple cards that appear just when they're needed.

Works with  
Apple CarPlay

Apple CarPlay™ is a smart, safe way to use your iPhone while driving. It takes all the things you might want to do, and puts them into your Stonic's display, so you can get directions, make a call and listen to music – all while staying focused on the road.

## Share the experience

Special moments in life are more fun when you share them with friends and family. That's why the new Kia Stonic's roomy interior can seat up to five people with ample space for stretching and relaxing. And, when you're on the move or simply chilling out, the up-to-date entertainment choices, automatic air conditioning, and heated front seats make the whole experience even more inviting. Discover the interior options available on the next page.

### Black one-tone interior

#### K1 standard cloth

The interior is upholstered in a combination of soft tricot and woven cloth with a muted dark grey pattern. The coordinated door and dash trim provide a consistently fresh and relaxing environment.

### Black one-tone interior

#### K2 standard cloth

A pleasing combination of soft tricot and lightly patterned woven cloth seat material provides comfort and support. The doors and dash feature trim and painted metal in colours that complement the shades of the cloth trim.

### Two-tone grey interior

#### K3 two-tone grey interior

Two-tone medium-grey cloth and artificial leather trim seats, featuring coloured embossing with grey stitching that matches the lighter grey tone of the dash and centre console trim. Door armrests are a lighter grey.

### Green package

#### K3 Two-tone grey interior

Two-tone medium-grey cloth and artificial leather trim seats, featuring coloured embossing with green stitching that matches the tone of the bright green dash and centre console trim. Door armrests are a lighter grey.

Green package is standard with green roof.

### Orange package

#### K3 Two-tone grey interior

Two-tone medium grey cloth and artificial leather trim seats, featuring coloured embossing with orange stitching that matches the tone of the striking orange dash and centre console trim. Door armrests are a lighter grey.

Orange package is standard with orange roof.

### Bronze package

#### K4 One-tone black interior

Black artificial leather seats featuring bronze stitching that matches the metal bronze colour of the centre console trim, crash pad and door armrests.

## Open to any possibility

When routine is the last word on your mind, the Kia Stonic is designed to put your plans and dreams in motion. With folding and split seats, and spacious interior and flexible capacity from 352 litres to a huge 1,155 litres, it's easier than ever to set out and explore or simply tackle whatever the day brings.

**1. Folding rear seats** Rear seats fold nearly flat, so you can fit long or bulky items in the extended cargo space.

**2. 60:40 split-folding rear seats** The rear seat backs split 60:40 and fold flat separately, offering you useful choices for managing cargo and passenger space.

**3. Adjustable cargo floor** Position the cargo area floor higher to be flush with the folded seat backs (left) or lower to accommodate tall items (right).

**4. Covering shelf** A rear covering shelf keeps cargo out of sight. Attached to the tailgate by cords, it lifts easily out of the way when the gate is opened.

## Protect what you love

Wherever you are, whatever you're doing, you can be sure that the Kia Stonic is protecting you and the people around you. That's because it's engineered to help drivers stay out of trouble and to manage collision forces in ways that minimise damage.

**1. Hill-start Assist Control (HAC)** When you're on a steep upward incline, pulling away from a standing start can be a concern, but don't worry, HAC is designed to stop you from rolling backwards.

**2. Vehicle Stability Management (VSM)** Working in concert with the motor-driven power steering, Kia's VSM helps ensure that the Stonic remains stable when simultaneously braking and cornering.

**3. Cornering Brake Control (CBC)** Designed to help you stay on track when you turn, CBC applies asymmetrical braking force to individual wheels when braking whilst cornering, which counteracts any potential loss of traction meaning greater safety.

**4. Torque Vectoring System (TVBB)** An additional function of the integrated electronic stability control system, our new TVBB technology means the Kia Stonic maintains a higher degree of handling stability and security when cornering, while helping to reduce understeer during harder cornering.

## AHSS steel for greater strength and added cabin protection

The Stonic uses Advanced High Strength Steel (AHSS) to deliver greater average tensile strength that makes the body phenomenally rigid, enhancing cabin protection as well as dynamic performance.

**98 metres** of structural adhesive for reduced noise

Greater use of structural adhesive means the new Kia Stonic is both rigid and light, and offers outstanding noise and vibration management.

**8 hot-stamping** zones for extra strength

The Stonic features hot-stamping of components in eight core stress areas, contributing to exceptional rigidity, meaning the strengthened body structure helps provide improved crash protection.

**6 airbags**

Protection includes front airbags for the driver and front-seat passenger, two airbags at the sides, and two curtain airbags running the length of the cabin.

# Anticipate the unexpected

With Stonic's Drive Wise technology, being at the wheel is simply more satisfying. Whether you're parking, manoeuvring city streets, in the fast lane or on the open road, Drive Wise features watch out for trouble, alert you, and even step in, to help you stay in the clear.

**1. Rear Cross-Traffic Collision Warning (RCCW)** When you back out of a parking spot or driveway, radar-based RCCW warns you if it detects cross-traffic in the lane the vehicle is entering (K4 trim).

**2. Lane Departure Warning (LDW)** Using a camera mounted at the top of the windshield to monitor lane markings, LDW alerts you if your vehicle deviates from the lane when the turn signal has not been activated (K3 and K4 trim).

**3. Blind-Spot Collision Warning (BCW)** Using radar to monitor the sides and rear of the vehicle, BCW uses audio-visual alerts to inform you about any vehicles in your blind spot, ensuring easier and safer lane changes (K4 trim).

**4. High Beam Assist (HBA)** Responding automatically to the brightness of the lights of other vehicles and road conditions, HBA switches off the high beams temporarily, to reduce glare that may affect other drivers (K3 and K4 trim).

**5. Driver Attention Warning (DAW)** To help prevent distracted or tired driving, DAW monitors driver and vehicle inputs. If it senses reduced attention, it sounds a chime and displays a warning in the supervision cluster display (K3 and K4 trim).

**DRIVE WISE**

**SAFETY**

**CONVENIENCE**

**EFFICIENCY**

DRIVE WISE, uses the latest Advanced Driver Assistance System (ADAS) technologies, to ensure occupant and pedestrian safety at all times, while never sacrificing the pleasure of driving.

## Dynamic in every way

When you're living the moment, power and precision needs to go hand-in-hand and that's exactly what you can expect behind the wheel of the Stonic. There are four engines to choose from – three petrol and one diesel, to suit a wide range of needs. Paired with a quick-changing manual transmission, each engine combines remarkable power and appealing efficiency.

Engine	1.0 T-GDI	1.2 MPI	1.4 MPI	1.6 CRDi
Displacement (cc)	998	1,248	1,368	1,582
Max. power (ps/rpm)	120/6,000	84/6,000	100/6,000	110/4,000
Max. torque (kg·m/rpm)	17.5/1,500–4,000	12.4/4,000	13.6/3,500	26.5/1,500–2,750
Mated transmission	6 M/T	5 M/T	6 M/T	6 M/T

### Manual transmission

The 5- and 6-speed transmissions offer quick, smooth gear changes and gear ratios that are matched to engine torque curves, boosting power and efficiency.

## Bring on the future

### 7-year vehicle warranty

Every Kia benefits from a 7-year/150,000 km new car warranty. This bumper-to-bumper warranty is free and transferable to subsequent owners, provided the car is regularly maintained in accordance with the servicing schedule.

### 5-year paint warranty & 12-year anti-perforation warranty

High-quality body paint ensures long-lasting protection and shine for your new Kia. It also comes with superior corrosion protection and a 12-year warranty against rust from the inside out.

### Stay in touch with Kia

Visit [www.kia.com](http://www.kia.com) for all the latest news. Find out more about Kia and our exciting new car range. Get updates on achievements in alternative fuel development, like liquid gas, hybrid and fuel cell technology. Or discover what our Environment Research Centre is working on.

We're also involved in major sporting events: Kia is an official partner of both UEFA and FIFA. We sponsor the Australian Open and the tennis star Rafael Nadal.

### Financing

Your local Kia dealer can help you with a financing plan that's best suited to your needs. Please ask for details.

### The Kia 7-year warranty

7-year/150,000 km new car warranty. Valid in all EU member states (plus Norway, Switzerland, Iceland and Gibraltar), subject to local terms and conditions.

The Kia 7-year/150,000 km new car warranty. Valid in all EU member states (plus Norway, Switzerland, Iceland and Gibraltar), subject to local terms and conditions.

## Stand out from the crowd

With its striking silhouette and muscular contours, the Stonic will always draw longing glances. But you can stamp your own extra personality on it by choosing to add upgraded wheels. After all, only you know what you want to say.

## Keep them guessing

Because you don't do everyday, the Stonic doesn't, either. So you'll find refreshingly bold and lively colours that bring out the best of its contours and express the free spirit in you. You can even customise your Stonic with a two-tone body colour by choosing one of the special roof-colour options when you choose a K3 or K4 trim line..
