CITROËN

BERLINGO  
MULTISPACE

# THE CITROËN RANGE

Here at Citroën we have come a long way since we created the world's first all-steel bodied car. Today we are recognised for our innovative technology and original designs. Our world-leading, fuel-efficient engines respect the environment and our outstanding safety features guarantee one of the safest driving environments available. We are fully committed to delivering outstanding customer service to back up the fantastic Citroën Model Range.

We're proud to be part of such an iconic brand and we look forward to helping you choose a car that means you too can enjoy the driving experience offered by Citroën's Créative Technologie.

**Stéphane Le Guevel**  
Director General  
Citroën UK and Ireland

1924

Citroën creates the B10 and the world's first all-steel bodied car is born.

1949

Twenty five years later, the iconic 2CV is launched and stays in production for over 5 decades!

# A HISTORY...

1989

The prestigious XM makes its debut, showcasing Citroën's advanced Hydractive computer controlled selflevelling suspension.

2008

The C4 WRC proves to be an all-conquering World Rally Champion. Citroën takes the Manufacturers' Title in 2008, 2009 and 2010.

2010

The innovations keep coming – quietly – with Citroën Survolt concept. A thrilling, clean, whisper quiet electric car.

2013

Never content to rest on our laurels, the innovative Citroën C3 Hybrid Air is unveiled at the Geneva Motor Show.

...OF INNOVATION

# YOU & YOUR BERLINGO MULTISPACE

New Citroën Berlingo Multispace is a true all-in-one vehicle, elegantly encompassing everything you need on the move. Its spacious, comfortable interior is ingeniously flexible, while the bold, simple exterior is surprisingly compact. Now with fresh design cues and plenty of new technology, it's more complete than ever.

CITROËN BERLINGO

# GO BOLDLY

With bags of character and an instantly recognisable profile, New Citroën Berlingo Multispace has genuine presence, especially with its new expressive details. The face is now enhanced by fresh bumper and radiator styling and perfectly blended with the proud sweep of the signature double-chevron logo.

Although only 4.38m from nose to tail, New Citroën Berlingo Multispace has a head-turning boldness and assertive personality that's really unique.

# FUNCTIONAL FLAIR

New Citroën Berlingo Multispace may be a roomy and practical car, but it's also packed with stylish features. XTR models now have the striking 16 inch 'Tikehau' alloy wheels and repositioned LED Daytime Running Lights for head-turning style and maximum visibility.

The epitome of functional flair is the optional Modutop<sup>®</sup>, which combines aviation-inspired storage shelves, a roomy locker above the boot and a panoramic sunroof. It's seriously useful and seamlessly designed. Choose the ultimate XTR model and you also get secure, smart dark tinted glass in the side windows and tailgate.

# MAXIMUM COMFORT, MINIMUM CLUTTER

The interior of New Citroën Berlingo Multispace is carefully designed to keep people comfortable and relaxed, and their belongings safely stowed away. It's also shaped to maximize natural light. The optional Modutop® contributes in every sense, offering up to 170 litres of ceiling-mounted space in an ingenious central storage area, individual air vents and large, light-loving glass panels.

From Feel trim level, you can relax in air-conditioned comfort and enjoy each journey with technology such as cruise control and speed limiter on your side. XTR models also include a leather trimmed steering wheel.

# SIMPLY SOPHISTICATED

New Citroën Berlingo Multispace offers a wealth of the latest technology to make your life on the move simpler and more enjoyable. Crisp, bright Daytime Running Lights and powerful fog lights on XTR models provide a clear visual signature and enhance safety too, whilst rear parking sensors on XTR versions take the hassle out of the trickiest manoeuvres.

Inside, the elegant 7 inch Touchscreen on the XTR trim level focuses all your useful technology in one clear, easy to use place. From here you can control navigation, DAB radio, audio streaming, your MP3 player and phone calls, including hands-free Bluetooth® connection. You can check and fine-tune vehicle settings too. Choose a Feel model and you benefit from the console mounted Connecting Box with Bluetooth® handsfree and a USB socket.

REAR

# EVERYONE'S WELCOME

Bright, roomy and with commanding views in every direction, the interior of New Citroën Berlingo Multispace extends a warm welcome. The standard 5-seat configuration provides three individual and completely removable second row seats for relaxed journeys and genuine versatility.

**WELCOME**

Choose the optional Family Pack and you gain an extra pair of generous seats that can be folded seamlessly and effortlessly into the boot floor. Whether you're travelling in the front row or row three, there's no compromise, because Citroën Berlingo Multispace is designed to accommodate up to seven travellers in proper comfort.

# CLEVER ON THE OUTSIDE

A car that offers lots of usable space for people and their belongings needs to be effortlessly accessible and easy to use. That's why New Citroën Berlingo Multispace can be chosen with either one or two sliding rear doors, and on XTR models a split opening tailgate, so you can quickly pop smaller things into the boot through the window. XTR level brings you tough, practical longitudinal roof bars, which are also part of the Modutop® package, where specified.

Further exterior touches you'll appreciate include electrically adjustable door mirrors for perfect visibility minus hassle.

# INSPIRED ON THE INSIDE

Innovative, friendly and seriously spacious, New Citroën Berlingo Multispace offers an amazing choice of storage solutions and practical details. It's built for life. There are underfloor compartments in row two and a storage drawer beneath the driver's seat, plus clever overhead storage from Feel trim level. It's so easy to declutter and keep things discreetly stowed away.

Feel versions also have a height adjustable driver's seat and on XTR models you can make the most of three really comfortable individual row two seats with aircraft style tables and cup holders. A 12 volt socket in the boot is just one more useful touch.

# STOP, GO, RELAX.

Set off in New Citroën Berlingo Multispace and you can relax. There's a host of advanced safety technology on your side. ABS with Electronic Brakeforce Distribution and Emergency Braking Assistance keeps you on track and in control should you need to brake suddenly and ensures just the right amount of pressure is applied for safe stopping.

Electronic Stability Control keeps you firmly on course if your wheels lose grip, by making super-fast adjustments to braking and engine speed.

# A VISION OF SAFETY

Climb into New Citroën Berlingo Multispace and there's an all-round sense of airiness. This is because of the exceptionally large glazed areas, from the sweeping panoramic windscreen to the deep side windows and tailgate. Your view out provides maximum visibility from every angle for safe progress.

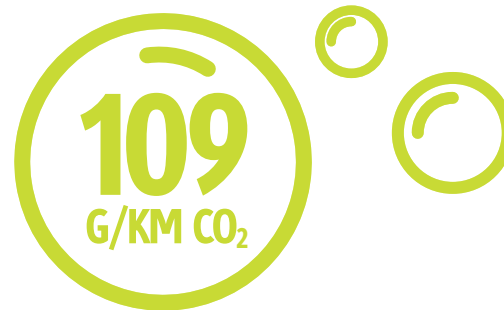

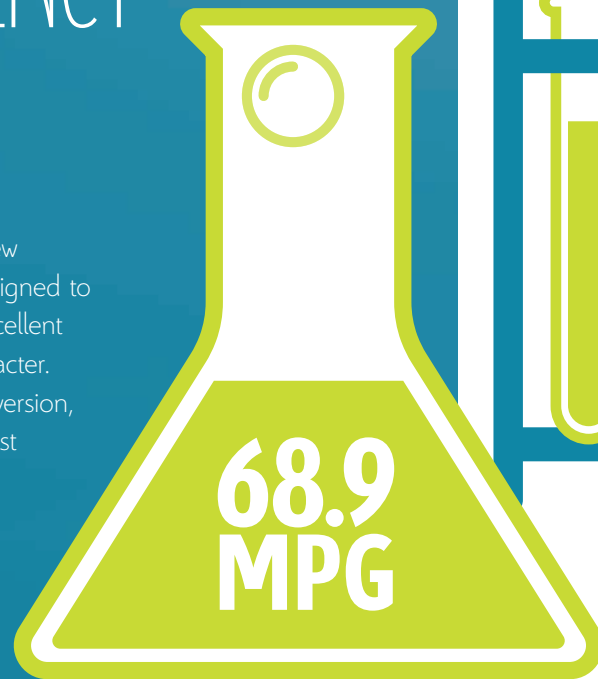

On XTR models you also gain the rear passenger observation mirror which allows you to keep an eye on the family without being distracted from the road ahead. And if you need to brake really hard to avoid the unforeseen, there's automatic activation of the hazard warning lights, so following traffic can see exactly what's happening.

# YOUR EFFICIENCY FORMULA

The engine range available for New Citroën Berlingo Multispace is designed to deliver seriously low emissions, excellent economy and refined driving character. You'll find these qualities in each version, and all diesel options have zero first year Road Fund Licence too.

The BlueHDi 100 S&S and BlueHDi S&S ETG6 versions produce an amazing 109g/km of CO<sub>2</sub> and all BlueHDi engines also cut nitrogen oxide emissions, while meeting the tough Euro 6 standard. In the super-efficient BlueHDi 75 manual you can achieve up to 65.7mpg and still just 113 g/km CO<sub>2</sub>.

A close-up photograph of a man's face, showing his eye, nose, and beard. A teal horizontal banner is overlaid on the left side of the image, containing the text 'FLEXIBILITY TIMES THREE'. The background features large, abstract lime green shapes on a white background.

# FLEXIBILITY TIMES THREE

BERLINGO

The New Citroën Berlingo Multispace excels at what matters. It's roomy and versatile, good to drive and efficient, bold, stylish and safe. With a distinctive personality all of its own, this is a car that celebrates freedom of choice through three impressive models, each with its individual balance of design and technology. Choosing the version that fits perfectly into your family will be the first of many inspiring journeys.

# TOUCH. RIGHT FROM THE START.

The fundamentals that make New Citroën Berlingo Multispace special are all here from the start. Touch models have a generous helping of useful technology, stylish details and practical innovations that work together beautifully.

# FEEL. REFINED IN EVERY SENSE.

Feel models feature aesthetic and practical refinements from nose to tail. Your chosen body colour now appears on more elements, enhancing the overall design, while air conditioning and extra storage solutions make the interior even more comfortable and useful.

# XTR. EVERY ANGLE COVERED.

The beauty of choosing XTR is that you don't really have to choose at all. Everything that makes this car a great place to travel is included. Make yourself at home in the ultimate New Citroën Berlingo Multispace.

# SAY IT IN COLOUR

New Citroën Berlingo Multispace is available in nine vibrant and striking body colours, including the new Cumulus Grey and Moka Grey. Each shade brings out different facets, highlights and details. Choosing your shade is a very personal decision and a great opportunity to express yourself!

Moka Grey (M)<sup>2</sup>

Nocciola (M)<sup>2</sup>

Cumulus Grey (M)<sup>3</sup>

Arctic Steel (M)<sup>1</sup>

Shark Grey (M)

(M) Metallic Please note: Colours and pictures shown are for illustration purposes only. Please consult your Dealer for definitive colour and trim/upholstery details. <sup>1</sup> Not available on XTR versions. <sup>2</sup> Not available on Touch versions. <sup>3</sup> Available on XTR versions only.

OVER TO  
YOU

Here is where New Citroën Berlingo Multispace comes to life. Take some time to look at the product specification brochure and then begin to shape the car that reflects you in every sense. Then you can really get things moving. Simply contact your local Authorised Citroën Dealer to arrange a test drive.

Lines open 8am - 8pm weekdays, 9am - 5pm Saturdays. Max call charge from a BT landline is 8p per minute. Calls from other networks may vary. Alternatively, visit [www.citroen.co.uk](http://www.citroen.co.uk) for more information or to apply online.

Citroën Insurance is underwritten by U K Insurance Limited which is authorised and regulated by the Financial Conduct Authority. Citroën Insurance is a trading style of PSA Finance UK Limited Finance is provided by PSA Finance UK Limited trading as Citroën Financial Services (company registration number: 01024322) having its registered office at Quadrant House, Princess Way, Redhill, Surrey, RH1 1QA.

**Care for your New Citroën Berlingo Multispace** and it will look after you – like every Citroën, it's part of a legendary engineering heritage with reliability built in.

With the added reassurance of a warranty, routine servicing and maintenance, as well as 24-hour roadside assistance, you are protected.

## CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year\* warranty package, plus a 12 year anti-perforation\*\* warranty and a 3 year paint warranty.

\* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.

\*\* Against all internal to external perforation to bodywork or underbody.

## CITROËN ASSISTANCE

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes.

Full details are available on request from Citroën UK via [cuk\\_contactcentre@citroen.com](mailto:cuk_contactcentre@citroen.com)

## CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens.

To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

## CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles.

For further information, please contact your Citroën Dealer.

# GLOSSARY

## › ANTI-LOCK BRAKING SYSTEM (ABS)

Computer-controlled braking assistance designed to prevent the wheels from locking under extreme braking. This enables the car to continue being steered and therefore controlled during this braking incident. New Citroën Berlingo Multispace's ABS system is further enhanced with EBA and EBD.

## › EMERGENCY BRAKING ASSISTANCE (EBA)

As drivers we find it difficult to instinctively brake very hard, but this is often what is needed in those rare emergency situations. The EBA system recognises our 'attempt' to brake hard and in combination with the ABS and EBD systems instantly applies the maximum stopping power possible.

## › ELECTRONIC BRAKEFORCE DISTRIBUTION (EBD)

A conventional ABS system cannot account for any of the four wheels wanting to lock more quickly than the others (for example, two of the wheels may be on snow and two on tarmac). EBD reads the deceleration rate of each wheel individually and applies the braking effort accordingly.

## › ELECTRONIC STABILITY CONTROL (ESC)

This is computer-controlled traction assistance and is provided primarily through the braking systems. The ESC's control unit constantly compares where the driver intends to go (through the position of the steering wheel) with where the vehicle is actually going and, if necessary, makes speed corrections to each wheel individually through braking or engine torque to keep the vehicle under control.

## › ON-BOARD TRIP COMPUTER

New Citroën Berlingo Multispace's multi-function on-board trip computer provides you with information at your fingertips. At the touch of a button you can view a range of data like fuel consumption, average speed and the mileage possible at your current fuel level.

## › FRONT SEAT BELT PRE-TENSIONERS

In the event of a crash, a pre-tensioner will tighten the seat belt almost instantaneously. This reduces the load on the occupant in a violent crash. Like airbags, pre-tensioners are triggered by sensors in the car's body, and use explosively expanding gas to drive a piston that retracts the belt. Seat belt pre-tensioners also lower the risk of "submarining", which is when a passenger slides forward under a loosely worn seat belt.

## › ISOFIX

A standardised and more simple method for installing child seats, each seat is 'clicked' into place via a three point system. On the New Citroën Berlingo Multispace, Isofix is installed on the outer row 2 seats.
