ASTON MARTIN

*It's time to
think differently*

We are moving in a changing world. It is time for an Aston Martin tailor fit for the city. Elegant and distinctive, individual and practical, Cygnet is the luxury solution to urban mobility.

The bespoke luxury commuter car

A luxury commuter car that can slip easily and unobtrusively into the city, Cygnet is innovative, luxurious and forward-thinking; a genuine solution for urban mobility and a natural extension to Aston Martin's line-up of acclaimed luxury sports cars.

सिगनेट

*key
to the city*

Exclusive and individual, yet practical and efficient, Cygnet gains access to the city like no other car. Enjoy an exhilarating new freedom to take to the streets in supreme comfort and luxury.

The same Aston Martin philosophy of design, craftsmanship and attention to detail, allied to exquisite form and surface language resulting in a car of exceptional quality - just smaller.

*And tailor-fit
for the city*

*A matter
of choice*

Fresh flavours combine to create a new Aston Martin.
Refined, elegant and exquisite Cygnet is utterly modern
yet crafted in the time honoured manner.

*Your very own individual and personal mode of
luxury urban transportation*

Cygnets utilises tried and tested technology coupled with Aston Martin's acclaimed levels of personalisation, use of the finest materials and craft skills to create the ultimate in luxury urban mobility.

Size
matters

In this case small is beautiful and is the perfect expression of your own unique character and lifestyle.
