Lifestyle Lamborghini
SPRING SUMMER 2013

Il marchio Lamborghini rappresenta un'esperienza estrema e senza compromessi ed evoca l'istinto di vivere al di là dei limiti stabiliti. Il mondo Lamborghini non termina là dove si accendono i motori delle supercar più estreme in circolazione, ma abbraccia anche quello della moda: possedere un capo Automobili Lamborghini diviene così segno di appartenenza a uno degli ambienti più glamour ed esclusivi del momento. Su questa filosofia nasce il progetto moda di Automobili Lamborghini, ufficializzato a settembre 2007 con la presentazione a Milano della prima Collezione Automobili Lamborghini. Collezione Automobili Lamborghini, che costituisce l'evoluzione della precedente linea di merchandising nata nel 1999, continua ad essere gestita da Automobili Lamborghini S.p.A.. E' rigorosamente "born in Sant'Agata Bolognese" ed è sviluppata in collaborazione con aziende top del fashion italiano. Dagli accenti sport-chic, si ispira a 3 valori del brand: estremo, senza compromessi e italiano, e propone soluzioni trendy adatte a qualsiasi persona nata col pallino del marchio del Toro.

The Lamborghini brand represents an extreme and uncompromising experience which evokes the instinct to live life beyond the pre-established limits. The Lamborghini world does not end where the most extreme supercar engines ignite, but also embraces that of fashion: to own a piece of Automobili Lamborghini becomes a visible sign of belonging to a more glamorous and exclusive world. With this philosophy in mind the fashion project of Automobili Lamborghini was born, officialised in September 2007 with the presentation of the first Collezione Automobili Lamborghini in Milan. The Collezione Automobili Lamborghini, which constitutes the evolution of the initial merchandising line created in 1999, continue sto be managed by Automobili Lamborghini S.p.A.. It is most definitely "born in Sant'Agata Bolognese" and is developed in collaboration with top end Italian fashion houses. With an emphasis on sport-chic, the 3 brand values were inspired: extreme, uncompromising and Italian, and offer fashionable solutions for everyone with a passion for the raging Bull.
