- ISOfix rear

Car details

- Body type: 3 door hatchback
- Year of publication: 2005
- Kerb weight: 1076kg
- VIN from which rating applies: Applies to all Puntos

Comments

Front impact

Structures in the knee-impact area represented potential hazards to the knee and femur protection on the driver's side.

Side impact

The head-protecting curtain airbag interacted with the B-pillar trim in the side impact although it deployed correctly in the pole test. Fiat is addressing the issue.

Child occupant

The presence of ISOFIX anchorages in the rear outboard seats was not sufficiently well indicated.
