**Make
it yours.**

Your Swift belongs to you right from the start, of course! And individuality is delivered ex-factory, too. But that doesn't rule out a desire to customise your vehicle, to make it even closer to your own personal ideals – in terms of both looks and functionality. This is where original Suzuki accessories come in: to add that defining individual touch to your car. The broad selection of equipment and fixtures allows you to add your very own highlights wherever you wish – exterior, décor, interior, safety features or audio and navigation – for a Swift that's 100% you.

Exterior

Show your style.

How to make it plain on the outside that the person on the inside knows all about travelling in style? With exterior accessories that are an instant delight to behold. From the front spoiler through sporty side skirts to the rear and roof edge spoiler, the range of extras for the outside is designed to stir the emotions deep inside. Both for the driver and their “audience”.

Interior

Practical and sporty in one.

Individuality and practicality should go hand in hand. With this in mind, the Swift's interior also offers ample opportunity for combining these two attributes. From the centre console trim through gear shift knobs in diverse designs to accessories that enhance your Swift's functionality along with its sporty looks: such loving attention to practical details is also an expression of individual style.

Interior

A big winner for the little ones, too.

When it comes to safety, the Swift shares your foresight in looking after your children on the road. A choice of several child seats covering different age groups leaves you feeling as equally at ease as the toddlers on board. The practical attachment with ISOFIX points makes safety fast and simple into the bargain.

15 | Child seat “Baby Safe Plus”

Child seat of group 0+ for babies with up to 13kg of weight or 12 to 15 months of age. This seat is tested and approved to the current Child Seat Safety Standard ECE R 44/04! Installation with 5 point seat belt, height adjustable headrest and belts, deep softly padded side wings provide optimum side impact protection, compatible with Baby SAFE ISOFIX Base and Baby Safe Belted Base and for travelling compatible with BRITAX pushchairs, 3-position carry handle with single handed adjustment, quick remove cover for washing, chest pads for child's comfort. This baby seat must not be used on the front passenger seat if the seat is fitted with a front airbag or the passenger front airbag needs to be deactivated according to the user manual.

Part No. 990E0-59J37-000

15

16

17

16 | Child seat "Kidfix"

Keeps your little one safe: the Kidfix for groups 2 and 3 seats kids weighing from approximately 15 to 36 kg. It meets the current Child Seat Safety Standard ECE R44/04 regulations and offers optimal side impact protection. Its perfectly routed 3-point seat belt installation plus additional fastening to the ISOFIX anchorage fastening points ensure maximum stability and safety. The headrest height can be adjusted to 11 different positions and the backrest to the angle of the vehicle seat. The reclined position can be set using the lever in the access slot of the detachable and washable booster cushion cover.

Part No. 990E0-59J25-001

17 | Child seat "Duo Plus"

Child seat of group 1 for kids of 9 to 18 kg of weight or approx. 9 months to 4 years of age. This seat is tested and approved to the current Child Seat Safety Standard ECE R 44/04! Installation in the car by the ISOFIX brackets, the seat features optimum side impact protection, unique Forward Tilt Control, singlehanded adjustment to change from the upright position to the reclined and sleeping positions. 5 point harness system with one-pull adjustment, shoulder pads reduce the load in the neck/head area. The comfortable fabric cover is removable for washing. The seat can also be fitted in cars without the ISOFIX system by using the vehicle's 3-point seat belt.

Part No. 990E0-59J56-000

Child seat FAIR

Restraint system specifically conceived to accommodate children weighting from birth to 18 kg, corresponding to an approximate age from 0 months to 4 years.
