FGTR

THE ICON

Unique shape, elegant core, outstanding design and technical highlights. FGTR was born in 2000 as the Urban Demi Jet Helmet.

Historically inspired by the helmets of helicopter pilots, became a cultural phenomenon.

2000

The icon a conjuncture between MOMODESIGN's racing past and its present as a design brand 100 % Italian.

2020 FGTR HERITAGE

It was 2000 when MOMODESIGN designed FGTR, its first demi-jet helmet, destined to become the most coveted urban helmet, an icon of the time. FGTR HERITAGE is the new capsule that celebrates the demi jet helmet that made the history of the company, a symbol of the brand's tradition and evolution.

A restyling of the first four iconic colors that enhances the originality of its design by enriching it with graphics with the Heritage 20 inscription that tells a contemporary story. Silver, black, blue and yellow, bold colors, as well as the personality of this helmet, with the graphics of the logo and of the 20 in black and yellow personalize the line. The stitched edges in leather-colored leather complete the design, reflecting the strong link between the brand, craftsmanship and attention to detail. Brushed metal screw. Anti-scratch visor UV400 with carbon fiber support. Chinstrap with micrometric buckle. Inner padding with high sweat absorption fabric and mesh fabric net with silver ion treatment for an effective bacteria-static action.
