XK, XK PORTFOLIO, XKR AND THE
STUNNING XKR-S.

The newly redesigned Jaguar XK range offers even greater performance, luxury and individuality. Sleek styling and sculpted surfaces cut through the air with ruthless aerodynamic efficiency. Superb dynamics make the driving experience both exciting and rewarding. Beneath the surface, the lightweight, aerospace-inspired aluminium body combines strength with rigidity to deliver taut, agile handling as well as straight-line performance. Inside, driver-focused technologies and an expansive choice of finely crafted interiors create an environment that is uniquely Jaguar. And, of course, at the core of each model is the power, refinement and efficiency of Jaguar's acclaimed 5.0 Litre V8, now available in three power outputs. The new XK range takes the Jaguar sports car experience to exhilarating new heights.

PERFORMANCE OPTIONS FOR **XKR**

SPEED PACK

The XKR Speed Pack, available as an option exclusively on XKR models, increases maximum speed from 250km/h (155mph) to an awe-inspiring 280km/h (174mph).

XKR Speed Pack includes:

- Increased top speed to 280km/h
- Body coloured Aerodynamic Pack (front splitter and larger rear spoiler), side sill extensions and rear diffuser
- 20" Kasuga alloy wheels
- Select paint palette

DYNAMIC PACK

The XKR Dynamic Pack** takes the XKR experience to another level, further extending its dynamic capabilities.

XKR Dynamic Pack includes:

- Increased top speed to 280km/h
- Body coloured Aerodynamic Pack, side sill extensions and rear diffuser
- Revised springs, revised dampers and forged and fully machined front knuckle
- Upgraded Adaptive Dynamics
- 10mm ride height reduction
- 20" Vulcan alloy wheels, forged and lightweight, in a polished finish
- Red brake calipers
- Select paint palette

EXTERIOR ACCESSORIES

CHROME DOOR MIRRORS

Chrome mirror covers accentuate the stylish design of the XK's exterior mirrors and add further individuality to the car's unique lines and sporting character.

Mirror Cover LH - C2D5489

Mirror Cover RH - C2D5488

POLISHED EXHAUST TAILPIPE FINISHER (PAIR)

Polished stainless steel exhaust finishers add further style, sportiness and refinement to the XK. Not available for XKR or XKR-S. Please consult your local Jaguar dealer for availability.
C2P18000

SNOW SOCK WITH WINTER TRACTION AID

An innovative lightweight textile alternative to snow chains for traction in snowy and icy conditions. Please consult your local Jaguar dealer for one correct pack to suit your wheel and tyre size.

Snowsock Pack 695 - C2D20229

Snowsock Pack 697 - C2D20230

Snowsock Pack 69J - C2D20228

20" GLOSS BLACK TAKOBA ALLOY WHEELS
 Not available on the XKR Dynamic Pack or XKR-S.
 Front - C2P21003
 Rear - C2P21004

18" Venus, 19" Caravela, 19" Artura, 19" Tamana, 20" Kalimnos and 20" Nevis alloy wheels are also available as accessories

GROWLER BRANDED WHEEL NUTS
 Enhance the look of your wheels with Jaguar Growler branded black or chrome wheel nuts.
 Wheel nut kit - Growler black chrome - C2D20073
 Wheel nut kit - Growler chrome - C2D20072

WIND DEFLECTOR
 Add comfort during open top driving and reduce driver and passenger wind buffeting with the pop-up, removable wind deflector in brushed aluminium finish. Also available in black finish.
 Black finish - C2P2440
 Bright finish - C2P17566

XKR AERODYNAMIC PACK

The Aerodynamic Pack is available exclusively for XKR models and consists of a front splitter and larger rear spoiler.

Front splitter set - CW8M17C753AAW

Rear spoiler with badge - AW8344210CAW

Image shown includes optional 20" Nevis wheel

BONNET LOUVRES WITH CHROME STRAKES

Stunning body coloured louvres with black mesh and styled chrome inserts add further emphasis to one of the XKR's most distinctive styling features.

Available on XKR and XKR-S only.

C2P20035XXX

INTERIOR ACCESSORIES

BRIGHT STAINLESS STEEL PEDALS
Made from stainless steel and rubber, the pedal kit fits securely over existing pedals for a contemporary, sporting appearance.
C2P17200

PREMIUM CARPET MAT SET
Luxurious, tailored 780 g/m2 pile front carpet mat set with embossed Jaguar logo and nubuck edge binding. The premium mats provide a well appointed finishing touch to the interior. Available in the following colours:
Flint mat with Warm Charcoal edge and Ivory logo - C2P19087YKM
Caramel mat with Caramel edge and Warm Charcoal logo - C2P19087YHQ
Flint mat with Ivory edge and Ivory logo (not shown) - C2P19087YLD

LUGGAGE COMPARTMENT FINISHER
This Jaguar branded finisher enhances the XK boot area. The finisher is made from stainless steel, has a brushed finish with bright highlights and adds aesthetic appeal as well as scuff protection.
C2P18180

GLOSSARY

POWERTRAIN AND DRIVING DYNAMICS

JAGUAR SEQUENTIAL SHIFT™

Provides the choice of Drive, Sport Automatic or Manual gearshift modes, with one touch paddles mounted behind the steering wheel to control gear changes manually.

ADAPTIVE DYNAMICS

Designed to provide the optimum balance between low speed ride comfort and high speed handling precision, analysing body movement, steering and road wheel inputs up to 500 times a second and continuously adjusting the suspension settings through electronically controlled dampers.

ACTIVE DIFFERENTIAL

An electronically controlled, active differential with Handling Functionality that limits the slip between the rear wheels to improve traction and stability in different driving conditions, working in harmony with the Traction, ABS and DSC systems.

DYNAMIC STABILITY CONTROL (WITH TRAC DSC MODE)

Intervenes in demanding driving situations by applying braking to individual wheels and reducing engine torque.

JAGUARDRIVE CONTROL™

Interacts with the DSC (Dynamic Stability Control) engine and transmission management systems to change the characteristics of engine mapping, transmission shifts and brake interventions. It offers different modes selectable by a button and is designed to optimise the vehicle response depending on driving conditions and style.

WINTER MODE

Softens the responsiveness of the engine and modifies the gear change strategy to improve traction in icy or slippery conditions. The vehicle performs in a more gentle and controlled manner, allowing more confident progress. When active, Winter Mode selects 2nd gear for pulling away on level ground (no incline).

DYNAMIC MODE

Designed to optimise vehicle systems to deliver a more involving driving experience. When Dynamic Mode is selected, Trac DSC is automatically engaged, and engine torque delivery characteristics and gear shift points are modified to further improve responsiveness. When selected while the transmission is in full Manual mode, transmission up-shifts are fully controlled by the driver, with no automatic up-shift when the rev limit is reached.

EXTERIOR FEATURES

ADAPTIVE FRONT LIGHTING WITH DYNAMIC PIVOTING HEADLAMPS

Sensors react to the car's speed and steering input, and the system can deflect the headlight beams by up to 15 degrees casting light deeper into corners, and giving added confidence at night.

XKR AERODYNAMIC PACK

Body coloured front splitter and body coloured larger rear spoiler.

XKR BLACK PACK

20" Kalimnos alloy wheels with gloss black finish. Gloss black finish to upper and lower mesh grilles, side intakes, side power vents, boot lid finisher and window surrounds (Convertible chrome window surrounds).

XKR SPEED PACK

Maximum speed increase from 250km/h to 280km/h, body coloured side sill extensions, rear diffuser and XKR Aerodynamic Pack (consisting of front splitter and larger rear spoiler).

XKR SPEED WITH BLACK PACK

Maximum speed increase from 250km/h to 280km/h, 20" Kalimnos alloy wheels with gloss black finish, body coloured side sill extensions, rear diffuser and XKR Aerodynamic Pack (consisting of front splitter and larger rear spoiler). Gloss black finish to upper and lower mesh grilles, side intakes, side power vents, boot lid finisher and window surrounds (Convertible chrome window surrounds).

XKR DYNAMIC PACK

Maximum speed increase from 250km/h to 280km/h, 20" Vulcan alloy wheels, forged and lightweight in polished finish; Red brake calipers. 10mm reduction in ride height, forged and fully machined front knuckle with unique spring and damper settings and uprated Adaptive Dynamics. Body coloured side sill extensions, rear diffuser and XKR Aerodynamic Pack (consisting of front splitter and larger rear spoiler). Coupé only.

XKR DYNAMIC WITH BLACK PACK

Maximum speed increase from 250km/h to 280km/h, 20" Vulcan alloy wheels, forged and lightweight in gloss black finish; Red brake calipers. 10mm reduction in ride height, forged and fully machined front knuckle with unique spring and damper settings and uprated Adaptive Dynamics. Body coloured side sill extensions, rear diffuser and XKR Aerodynamic Pack (consisting of front splitter and larger rear spoiler). Gloss black finish to upper and lower mesh grilles, side intakes, side power vents, boot lid finisher and window surrounds. Coupé only.

INTERIOR FEATURES

AUTOMATIC AIR-RECIRCULATION WITH 5 SETTINGS

Automatic cabin recirculation triggered by external odour sensor with 5 sensitivity settings.

JAGUAR SMART KEY SYSTEM™

With the Jaguar Smart Key in your pocket or bag, the car automatically unlocks as you pull the door handle. Simply push the ignition button to start the engine. Upon leaving, simply press a button on the door handle to lock the car or use the Jaguar Smart Key.

VALET MODE

When Valet mode is enabled, the vehicle can be parked by a parking attendant who can lock the vehicle, but cannot open the luggage or glove compartments. Valet mode can be enabled and disabled through a secure function in the Touch-screen.

SAFETY AND SECURITY

ROLL-OVER PROTECTION SYSTEM

Two automatically deployable hoops which are designed to activate in a roll-over event (Convertible only).

MULTIMEDIA

NAVIGATION SYSTEM⁽¹⁾⁽²⁾

7 inch Touch-screen display with DVD mapping, postcode entry, destination entry on the move and TMC (Traffic Messaging Channel).

JAGUAR 125W SOUND SYSTEM

With AM/FM radio featuring EON, RDS, PTY, TA and 6 disc in-facia CD with automatic volume control, 100W power amplifier, WMA, MP3 compatibility, and 6 speakers.

JAGUAR 525W PREMIUM SOUND SYSTEM

As Jaguar sound system with 120W per channel (525W total power output) low-distortion Dolby® Pro Logic® II Surround Sound, 3 channel stereo, power amplifier and 8 speakers.

BOWERS & WILKINS 525W SURROUND SOUND SYSTEM

Featuring a unique multichannel amplifier with Dolby® Pro Logic® II Surround Sound, 3 channel Stereo, and specially-designed Bowers & Wilkins loudspeaker components, including high-output, low-distortion Kevlar® speakers and extended high-frequency aluminium dome tweeters.

WINDOWS MEDIA AUDIO (WMA) AND MP3 COMPATIBILITY

Enables the CD player to play CDs which contain WMA and MP3 files.

TRAFFIC MESSAGE CHANNEL (TMC)

A specific application of the FM Radio Data System (RDS) used for broadcasting real-time traffic and weather information. Data messages are received silently and decoded by a TMC-equipped car radio or navigation system, and delivered to the driver in a variety of ways. The most common of these is a TMC-enabled navigation system that can offer dynamic route guidance, alerting the driver of a problem on the planned route and calculating an alternative route to avoid the incident.

INTERIOR THEMES

XK INTERIOR THEME

Sport seats with Bond grain leather facings, 10/10 way driver's and passenger's electric adjustment including fore/aft, recline, height, 2-way lumbar support and memory function. Variable heated. Cloth headlining. Carpet mats.

XKR INTERIOR THEME

Sport seats with Bond grain leather facings, 10/10 way driver's and passenger's electric adjustment including fore/aft, recline, height, 2-way lumbar support and memory function. Variable heated. Jet Suedecloth premium headlining. Carpet mats. Heated leather steering wheel.

XK PORTFOLIO INTERIOR THEME

Luxury seats in soft grain leather with contrast stitch, 16/16 way driver's and passenger's electric adjustment, variable manual headrest, includes 4-way power lumbar, driver and passenger memory, front cushion length adjust, variable bolster and perforated (front and rear). Variable heated and cooled. Soft grain contrast stitch leather to steering wheel, doors, rear side panels, instrument panel and centre console with twin stitch detail. (No contrast stitch to Ivory seats). Canvas Suedecloth premium headlining. Nubuck edged premium carpet mat set with Jaguar script and logo. Heated leather steering wheel. Bowers & Wilkins 525W surround sound system.

XKR INTERIOR THEME (OPTION)

Luxury seats in soft grain leather with contrast stitch, 16/16 way driver's and passenger's electric adjustment, variable manual headrest with R logo, includes 4-way power lumbar, driver and passenger memory, front cushion length adjust, variable bolster and perforated (front and rear). Variable heated and cooled. Soft grain contrast stitch leather to steering wheel, doors, rear side panels, instrument panel and centre console with twin stitch detail. (No contrast stitch to Ivory seats). Jet Suedecloth premium headlining. Nubuck edged premium carpet mat set with Jaguar script and logo. Heated leather steering wheel. Bowers & Wilkins 525W surround sound system.

XKR-S INTERIOR THEME

Performance seats in carbon and soft grain leather with contrast micro-piping and stitch, 16/16 way driver's and passenger's electric adjustment, variable manual headrest with R-S logo, includes 4-way power lumbar, driver and passenger memory, front cushion length adjust, variable bolster. Variable heated. Carbon and soft grain leather to door inserts and rear side panels. Soft grain contrast stitch leather to steering wheel, doors, rear side panels, instrument panel and centre console with twin stitch detail. Poltrona Frau® Jet leather headlining. Nubuck edged premium carpet mat set with Jaguar script and logo. Heated leather steering wheel. Bowers & Wilkins 525W surround sound system.

⁽¹⁾ Different DVDs exist in different regions. Please consult your local Jaguar dealer for details of which countries are covered by the DVD supplied with your vehicle.
⁽²⁾ The navigation system must always be used in conditions that will not affect the driver's ability to drive safely or affect the safety of other road users.

XK OWNERSHIP EXPERIENCE

SERVICE, ASSURANCE, AND PEACE OF MIND ARE ALL PART OF THE PRIDE OF OWNING YOUR XK.

THE JAGUAR ACCESSORY RANGE

Enabling you to personalise your car, to create a driving experience that is even more individually rewarding. All Jaguar accessories are tested rigorously for safety and durability in the most arduous of climates and conditions. A comprehensive range of styling options, interior and exterior accessories, enable you to tailor your XK to suit your personal style. The full range of Jaguar accessories is available to view on-line, please visit jaguar.com for further information.

BECAUSE ONLY THE BEST WILL DO

An official Jaguar dealer or Approved Service Centre can ensure that Jaguar trained, specialist technicians, with access to the full range of Jaguar approved parts and tools, will always be on hand to guarantee that every fitting, or repair, is carried out exactly the way Jaguar intended. Your Jaguar dealer or Approved Service Centre can also supply and fit Jaguar approved accessories to personalise and add to the practicality and style of your XK model.

SERVICE AND ASSURANCE*

Complete peace of mind including Competitively Priced Servicing, Seasonal Health Checks and Total Tyre Care to ensure that your Jaguar XK retains its premium condition, delivering optimal performance.

WARRANTY*

3 year warranty together with a 3 year Paint Surface Warranty and a 6 year Corrosion (Perforation) Warranty.

JAGUAR MAGAZINE

Jaguar Magazine is the official magazine of Jaguar Cars. It features the new Jaguar XJ, XK and XF, and the worlds of luxury, style, design and travel. The fully interactive Jaguar Magazine iPad app takes the very best of the print edition of the Magazine and adds extra images, and exclusive information, allowing you to explore Jaguar's world in a whole new way.

JAGUAR.COM

Jaguar's official interactive website contains the latest information on Jaguar models and pricing. It also features helpful tools such as a dealer locator and a new model configurator allowing you to see the car tailored to your specification and colour.

JAGUAR FINANCIAL SERVICES*

Whether your requirements are business or personal please contact your local Jaguar dealer to discuss a range of finance and insurance products that can be tailored to meet your needs.

*Terms and conditions apply. Please contact your local Jaguar dealer for more information

IMPORTANT NOTICE

Jaguar Cars Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and dealers are not agents of Jaguar Cars Limited and have absolutely no authority to bind Jaguar Cars Limited by any express or implied undertaking or representation. Illustrations in this brochure may include optional extras.

Comparisons are based on manufacturer's own data and testing.

ENVIRONMENTAL INNOVATION AT JAGUAR

Jaguar is proud to continue the company's tradition with its approach to Environmental Innovation. From the choice of lightweight materials and lean production methods to the efficiency of its engines and designs, Jaguar is committed to operating as a more sustainable business and reducing its overall environmental impact.

Jaguar's flagship XJ model was the first in the company to achieve ISO14040, the international standard for vehicle 'whole life cycle' assessment. This certification measures the environmental impact of XJ from component material sourcing and manufacturing process, through its driven life time, to final disposal. But that's not all. Every new Jaguar vehicle is designed to be 85% recyclable and reusable, in addition 95% recoverable and reusable with 10% for energy generation.

The XJ and XK's innovative use of lightweight aluminium, which incorporates up to 50% recycled material in the body structures, provides considerable performance benefits. This includes improved fuel consumption, and less CO₂ emissions as well as the dynamic performance inherent in its weight saving design.

Jaguar is committed to reducing dependency on fossil fuels, using fewer resources and creating less waste. Already the manufacturing assembly CO₂ emissions of each Jaguar built in the UK since 2009 is offset. For every tonne of CO₂ emitted in the assembly process, Jaguar invests in carbon reduction projects that reduce an equivalent tonne of CO₂ elsewhere. Offsetting allows Jaguar to take action now, to reduce its impact on the environment, as part of an integrated carbon management plan. This company plan includes targets to reduce operating CO₂ emissions and waste to landfill by 25% by 2012, water consumption by 10% by 2012 and fleet average tailpipe CO₂ emissions by 25% by 2015, based on 2007 levels.

But it doesn't stop there. World class manufacturing facilities certified to ISO14001 since 1998, transport miles have been cut from delivery routes and new ways are being introduced to produce energy from food waste at our headquarters in the UK.

That's Environmental Innovation at Jaguar.
