## INTERIOR ACCESSORIES

### INTAGLIO

The intaglio is a crafted ingot that sits centrally in the wrap around veneer at the front of the cabin beneath the windscreen. A range of accessory ingots are available including one featuring the signature of Ian Callum, designer of the all new XJ.

### PERSONALISATION

For the ultimate in personalisation and exclusivity Jaguar can also create a unique polished chrome intaglio using your own inscription or signature. Please consult your Jaguar dealer for more information.

## INTERIOR ACCESSORIES

### **ILLUMINATED BOOT TREAD STRIP**

The Jaguar branded finisher adds style to the luggage compartment area. This stainless steel finisher is highlighted with laser thin Phosphor blue lines of light.

### **LUGGAGE COMPARTMENT PREMIUM CARPET MAT**

Premium 2000 g/m<sup>2</sup> pile luggage mat in jet with Jaguar logo inset, nubuck edging and dove contrast stitch.

### **LUGGAGE COMPARTMENT LINER**

Designed to protect the load space area of the boot, the luggage compartment liner can be easily removed and cleaned.

### **LUGGAGE COMPARTMENT NETS**

A set of two nets provide additional enclosed stowage in the luggage compartment and help to secure loose items such as bags or small parcels.

### **XJ COLLECTION LUGGAGE SET**

Available from the Jaguar Collection, a stylish and versatile set of leather luggage, created in conjunction with the Design team behind the all new XJ. For all Jaguar Collection products please contact your Jaguar dealer.

### **ALSO AVAILABLE (NOT SHOWN)**

#### **UTILITY MATS**

Jaguar branded hard wearing rubber mats. Provide added protection for your vehicle carpets.

## INTERIOR ACCESSORIES

### REAR SCREEN CONNECTIVITY

This is an integrated system available for UK, European and Rest of World Markets. The kit has replacement headrests with integrated 7 inch screens, two sets of infra red headphones and an input panel located at the rear of the centre console allowing connectivity of various devices including portable video/DVD players, games consoles and laptops. This product is available for fitment to Warm Charcoal and Barley interiors only and with manual headrest functionality only.

### ASHTRAY AND LIGHTER

The cigarette lighter is located in the centre console and the foremost cup holder is converted into the ash receptacle. The single cup holder is retained and the smaller holder is converted into a useful storage space. The product is enhanced further with the addition of Phosphor blue illumination. Image shown is 08/09MY. A revised pack is also available for 10.5MY and 11MY vehicles.

## CAR PROTECTION & INTERIOR STYLING

## INTERIOR ACCESSORIES

### AUDIO CONNECTIVITY MODULE

The Audio Connectivity Module conveniently plays music from almost any audio device through the existing Jaguar sound system in your X-TYPE. This enables you to plug in an iPod and USB storage devices and be able to control the audio system whilst you are on the move. The auxiliary socket also allows practically any device with a 3.5mm headphone socket to be played. The Audio Connectivity Module is located discreetly in the centre armrest. Please consult your Jaguar dealer for further information on the functionality of the Audio Connectivity Module.

iPod is a trademark of Apple Computer Inc. registered in the US and other countries.

# X-TYPE

## IMPORTANT NOTICE

Jaguar Cars Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and dealers are not agents of Jaguar Cars Limited and have absolutely no authority to bind Jaguar Cars Limited by any express or implied undertaking or representation. Illustrations in this brochure may include optional extras.

## ENVIRONMENTAL NOTICE

Jaguar Cars Limited has a vision of being amongst the world's leading companies in demonstrating progress towards sustainability. We aim to do this by contributing to a better quality of life, with corporate citizenship at the very heart of our company, and by reducing our environmental footprint through innovative design and manufacturing, minimizing resource and energy use. Environmental responsibility is a core value in Jaguar, and it is our policy to continually improve our environmental standards in all areas of business activity.

This brochure is produced using certified FSC mixed sources material from well managed forests and is manufactured under a strict ISO 14001 environment system. 10% of this material is recovered fibre, diverting waste from landfill.

## WARRANTY STATEMENT

Any genuine Jaguar Accessories (excluding gift items and luggage available from Jaguar Collection) supplied and fitted by a Jaguar dealer within one month or 1000 miles /1500 km (whichever occurs first) of a new vehicle being put into service will benefit from the same warranty terms and duration as the Vehicle Warranty. Accessories purchased outside of these parameters will be subject to 12 month unlimited mileage warranty. All Jaguar Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out so that Accessories are both durable and importantly, continue to comply with current legislation.

For further Jaguar accessory information, please refer to the Jaguar website. For information on pricing, please refer to the Jaguar Accessories Price List.
