OUR PASSION IS BOUNDLESS AND KNOWS NO COMPROMISE.

Automobili Lamborghini has been building legendary super sports cars at Sant'Agata Bolognese since 1963. Each Lamborghini is built by hand, thereby combining advanced technology with a tireless pursuit of perfection. These values are not merely applied to car production, but also and especially to the creation of Accessori Originali.

Each and every accessory boasts outstanding quality, cutting edge technology, Lamborghini signature design and stands out for the attention paid to the smallest details.

The goal remains the same: exceed our customers' expectations of quality and service.

Accessori Originali Automobili Lamborghini allows you to express your personality to the fullest and make your Lamborghini even more unique.

SPORT

Exclusive design and Motorsport technology for your
Lamborghini

SPORT TIRES

Pirelli has drawn from a century of experience to provide you with the perfect tires for your Huracán. Enjoy the sporting heart of your Lamborghini to the full as you hug the track or road with these special tires. Only tires with the exclusive "L" marking on the shoulder guarantee the exclusive Pirelli-Lamborghini project and partnership.

CENTER-LOCK CONVERSION KIT

Forged from light, hard-wearing aluminium alloy specifically selected by Automobili Lamborghini, the center-lock conversion kit and exclusive rims re-vamp your Huracán with an unmistakably sporty, unique look while remaining faithful to the pioneering design that bespeaks all the vehicles and Accessori Originali of Sant'Agata Bolognese. No further type-approvals required. Compatible with the standard tires.

CARBON-CERAMIC BRAKES

Every centimetre, millisecond and gram are important for a vehicle made in Sant'Agata Bolognese. That's why Accessori Originali has put so much passion into this set of carbon-ceramic brake discs. Far more performance-oriented and much lighter, these brakes provide top performance whether you take to the track or just use the roads. All this plus significant weight reduction, a nifty look and, most especially, guaranteed maximum safety when driving.

RACING EXHAUST SYSTEM

HURACÁN, Instinctive Technology. There's nothing more instinctive than a roaring V10 juiced up by this sophisticated exhaust system. An exhilaratingly ferocious rumble in all drive modes, STRADA, SPORT and CORSA, will boost your pleasure at the wheel of your Lamborghini and become more brutal each time you shift.

The stylish new laser-engraved terminals will provide an extra touch to make your HURACÁN truly unmistakable. All this can be yours without voiding the warranty of your Lamborghini and knowing that you've installed a certified product from the Accessori Originali Automobili Lamborghini range.

Power: up to + 5%
Weight reduction: - 10%
Recommended for track use only.

TRACK AND PLAY

The exclusive Accessori Originali Track and Play will provide you with your very own telemetry tracking and video recording centre. The powerful, lightweight control unit can be easily installed in your car, while the App can be downloaded from App Store iOS (or just focus on the QR-code in this brochure). Create or choose your track, then measure your all-round performance by analyzing every aspect of your driving prowess. Acceleration, speed, gear engaged, G-force, steering angle, tyre pressure and RPM are only some of the data that Track and Play can read, record and analyze for you. And thanks to the Data Syncing function, you can show the whole world your skill at the wheel of your Lamborghini.

- The ultimate telemetric experience:
- Easy to install
 - 56 preloaded circuits, plus Track Creator function
 - Huracán customized dashboard
 - HD video recording and automatic synchronization of telemetry data
 - Comparative "Ghost" functionality
 - Complete performance analysis

EXTERIOR

A masterpiece made of carbon fiber.
The product of 120 hours of precision labor.

CARBON FIBER ENGINE BAY SHIELDS

The engine compartment of your Huracán houses the component that turned Automobili Lamborghini into a legendary icon. This is why Accessori Originali provides the parts you need to add a finishing touch to your engine compartment: a complete set of engine bay shields made of carbon fiber protected by heat-resistant clear-coat for an ultra-sporty, hi-tech visual effect.

SET OF WHEEL RIMS

Lamborghini rims are engineered and crafted at the Sant'Agata production facility with the utmost accuracy. To be more precise, they are forged to perfection from a single piece of aluminium. The result is thinner, yet high strength rims that are low in weight. All to the benefit of the performance of your Huracán.

WHEEL CENTER CAPS

Accessori Originali is always on the lookout for new ways for you to customize your Lamborghini. These sets of center caps will provide added glamour to the wheel Rims of your Lamborghini. Choose from different designs, colors and logos and make it unique. And for a new perception of luxury, Automobili Lamborghini Accessori Originali proposes a product combining the technological innovation of carbon fiber and the exclusivity that only real Diamonds can provide in a limited edition. Hand-crafted by professional artisans, these jewel-encrusted center caps epitomize the "Made in Italy" concept at its most excellent.

VALVE CAPS WITH LOGO

Because even the tiniest parts count. Specially designed by Accessori Originali, this precious set of aluminium valve caps with the bull logo are painted and laser-engraved.

TRANSPARENT ENGINE BONNET

The powerful V10 aspirated engine in your Huracán undoubtedly performs the most important task of all and as such, deserves to be displayed. That's what this transparent hood is designed to do.

DOOR LIGHTS

A simple courtesy light is not enough to illuminate your way. The new Automobili Lamborghini under-door LED lights provide that extra something that doesn't go unnoticed. Available in the Logo version and Lettering version.

AESTHETIC KIT

Creating the perfect look is a matter of details. You can customize your Huracán and make it truly unique with this set of racing stripes and rear view mirrors.

The kit is available in various colors designed to create aggressive contrasting effects on all the standard paintwork of the Huracán range. The stripes will not damage the underlying paintwork in any way even when removed or after a long period of use. They're the ideal alternative to a paint job.

-  Shiny black
-  Red

AERODYNAMIC KIT

A design that fully reflects the values of Automobili Lamborghini, Huracán breaks with the past and becomes visionary and pure. But Lamborghini considers its vehicles to be a starting point and not the final outcome. The new Aerodynamic kit combines all the technological innovation and know-how acquired in the decades-long development of limited editions, treating your Huracán to an aggressive splitter, side skirts and rear diffuser. An original rear wing completes the kit. Carefully designed down to the tiniest detail, these components will provide an assertive, exclusive look. A real show-stopper. Accurate aerodynamic analysis guarantees high performance in all conditions without neglecting safety and the driveability that's a key strength of the Huracán range.

COLORED BRAKE CALIPER KIT

For a vehicle produced in Sant'Agata Bolognese, every gram of reduced weight is an advantage. That's why we work passionately to trim down the weight of our cars. And that's why we use carbon ceramic brakes, which not only offer a very long service life, but are significantly lighter than traditional brakes. Available for both CCB and standard brakes.

INTERIOR

The interiors of our cars are made with a unique material: passion.

FLOOR MATS IN CARBON FIBER OR WITH CUSTOMIZED EDGES

Accessori Originali has provided every detail for your Lamborghini.

This is why you can customize even the floor mats.

A stylish combination of carbon fiber, leather and stitching creates a customized product that fully matches the colors and finishes of your Lamborghini.

But if you prefer a classic look, you can choose the standard floor mats with customized leather edge trims.

COLORED SEAT BELTS

Restricting the scope for customizing to just leather, Alcantara and carbon fiber may simply not be sufficient for some. Available in a selection of colors, Lamborghini safety seat belts guarantee maximum safety plus an extra touch of color to brighten the passenger compartment.

CUP HOLDER KIT

Limitless performance without sacrificing comfort inside your vehicle.

RECHARGEABLE FLASHLIGHT

Powerful flashlight that can be recharged using a 12 V power port. Because every detail of your Lamborghini deserves to be well lit.

MULTIMEDIA

Innovation is never a coincidence, but the product of intense commitment.

NAVIGATION SYSTEM

The cars made in Sant'Agata Bolognese are already some of the fastest in the world. The only way to reach a destination even sooner is to choose the fastest route. Our navigation kit will do it for you in perfect Lamborghini style: at maximum speed.

RVC KIT

The rear view camera is housed at the back of the car and switches on automatically when you shift into reverse. The images appear on a 12.3-inch display that even shows the direction in which the steering wheel is turned, making it easier both to park and when leaving parking spaces.

BLUETOOTH KIT

For placing and receiving calls in a simple, safe, integrated way without annoying wires.

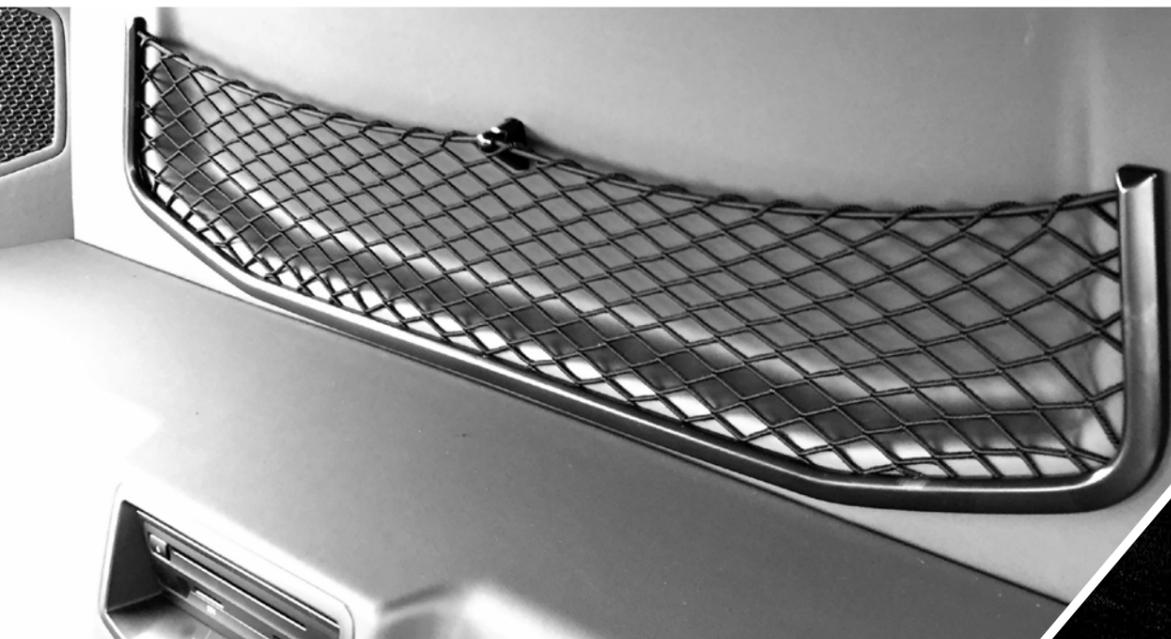

USABILITY

Lamborghini drivers have gasoline running through their veins. And a lot of passion in their hearts.

CONVENIENCE NETS

Limitless performance without sacrificing comfort inside your vehicle.

DOCUMENT HOLDER

Sturdy case designed to hold all the driving papers of your Lamborghini. Can be kept safely tucked away in the glove compartment.

CRUISE CONTROL

Electronic system that automatically controls the speed of your Huracán.

LUGGAGE SET

Set of two exceptionally high quality cases. Made with only the best Italian leather. The same, along with the colors of the stitching and Alcantara, used to create the upholstery in your Huracán. The Standard set comes in elegant total-black (leather/Alcantara/stitching), while the Ad Personam set can be fully customized with your choice from the range of Huracán upholstery colors/materials. The Set is designed to fit perfectly into the luggage compartment and is the ideal accessory for day-to-day use.

TIRES

To get the power down to the road and keep control in all conditions you need to be equipped with the right tires. Besides standard and sport tires, Pirelli has drawn from a century of experience to provide you with the perfect tires for your Huracán. Even in cold weather and on wet roads, these special tires will let you get the most out of your car's performance without forgoing safety.

CARE & SAFETY

A car that's built with so much care deserves to be protected. These tailor-made items fit the bill.

CAR CARE KIT

The only way to preserve beauty is to protect it. That's why we've created this package of products specially designed to care for your Huracán. Whatever paintwork or interior finishes you've chosen, we have what you need to look after your Lamborghini. Entirely Made in Italy.

BATTERY MAINTAINER

A properly charged battery is important for a special occasions car. This device keep's your vehicle's battery charged and ready to go.

WELCOME KIT

A little kit to welcome new clients (or to welcome back loyal ones). It includes wheel rim and tire-care products, Torx wrench with gold finish, tire pressure gauge and USB adapter for 12V power port.

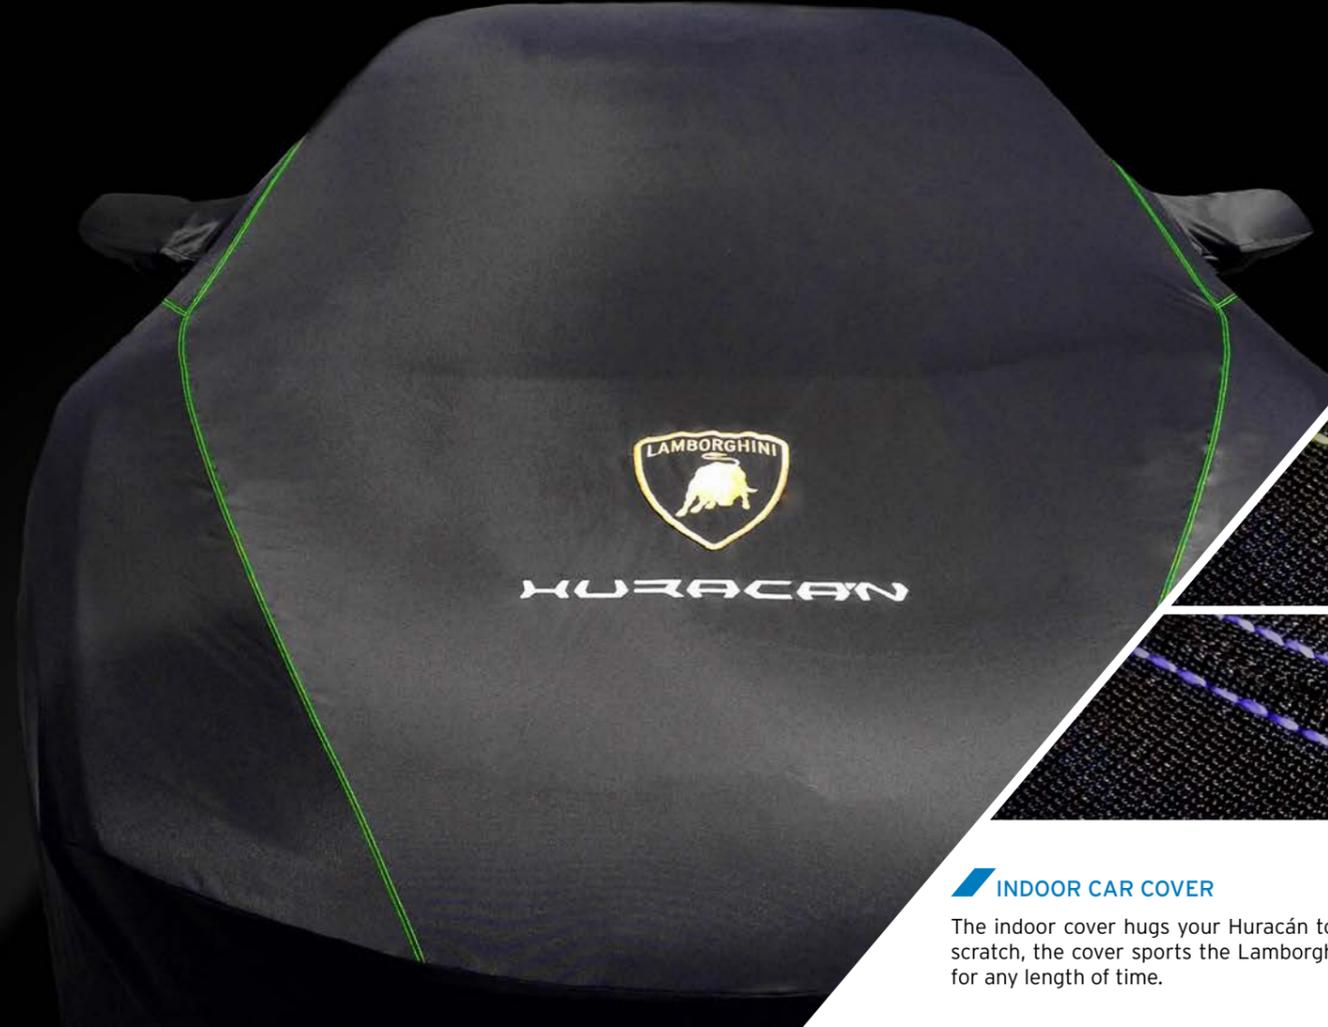

CAR CARE PRODUCTS

Besides the practical Car Care Kit, you can also purchase certain specific products individually. The selection includes Carbon Skin Cleaner, Alcantara® Cleaner plus Shampoo and Wax for matte paintwork.

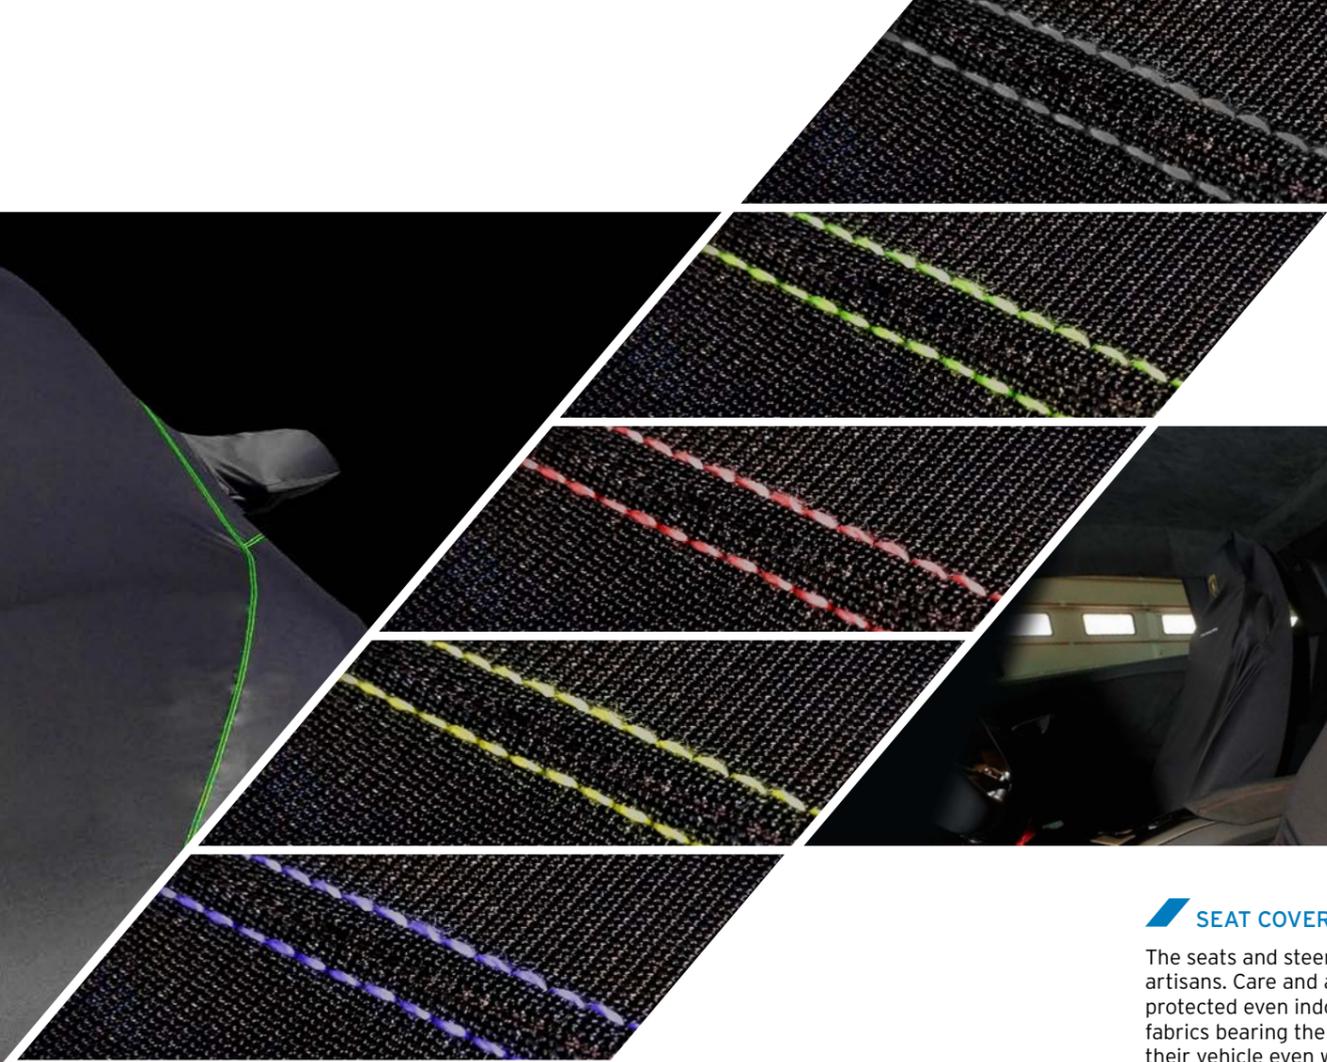

The aggressive but elegant lines of your Huracán will be protected and underscored by these covers designed by Accessori Originali to defend your Supercar.

INDOOR CAR COVER

The indoor cover hugs your Huracán to perfection and is made from interlock fabric. Dustproof and non-scratch, the cover sports the Lamborghini emblem and is perfect for protecting your vehicle when stored for any length of time.

SEAT COVER AND STEERING WHEEL COVER

The seats and steering wheel of your Huracán have been crafted during hours of painstaking work by expert artisans. Care and attention to details know no equals, that's why these parts of your Huracán must be protected even indoors. The steering wheel cover and seat cover are made from hard-wearing stretch fabrics bearing the Lamborghini emblem and are the perfect solution for those who want to care for their vehicle even when not in use.

CARBON LOOK CAR COVER

If you're looking for enhanced protection, Accessori Originali offers all Huracán owners an exclusive cover in Carbon Look fabric that stretches, "breathes", repels water and oil, blocks UV rays and is fire-resistant. All this plus a surface finish with a sporty, elegant effect. Perfect for those who want the ultimate in terms of protection, both indoors and outdoors.

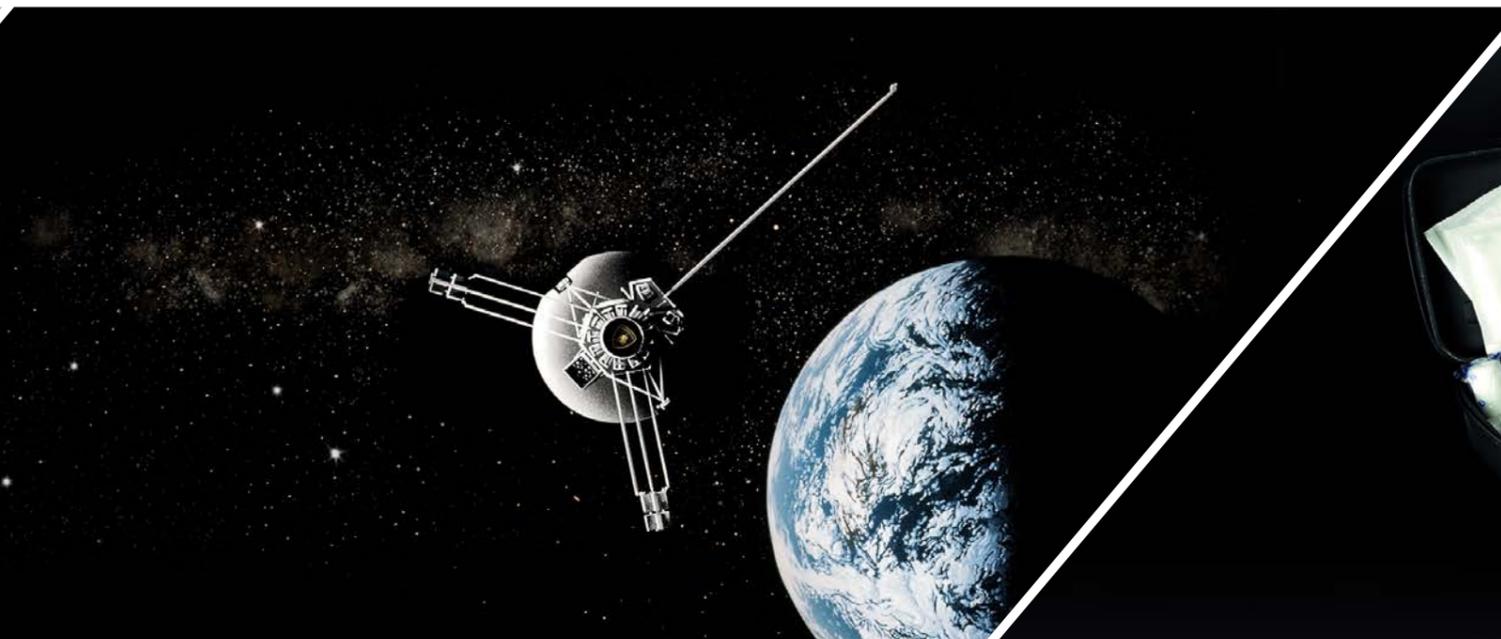

TRANSPARENT ANTI-STONE CHIPPING FILM

Available for both shiny and matte paintwork and applied by skilled staff at Sant'Agata Bolognese, this anti-stone chipping film will protect exposed parts of the bodywork from damage caused by gravel, stones and other litter on the road surface.

SATELLITE ANTI-THEFT SYSTEM

This secure and reliable tracking system ensures that the engine ignition system is blocked remotely if theft is attempted. It's actually the world's most advanced anti-theft system. Treat yourself, not some potential thief.

DIGITAL PRESSURE GAUGE

Easy to use and programmable, this pressure gauge has a black anodized aluminium body. Use it to check the pressure of your tires and ensure top performance in all conditions.

EMERGENCY AND FIRST AID KIT

The perfect driver is able to deal with any situation. Specially designed and easily transported, this kit contains everything you need to cope with an emergency.
