BELRAY.COM

SINCE 1946

Some performance-enhancing substances are completely legal.

Bel-Ray doesn't just lubricate your bike's moving parts, it brings your engine to life.

Bel-Ray unleashes your bike's full potential, while increasing the life-span of each moving part. There's less friction, so there's less abrasive wear and your engine runs cleaner too.

When what goes into your bike matters, use Bel-Ray total performance lubricants.

SUPER CLEAN CHAIN LUBE

Sizes: 175 ml aerosol, 400 ml aerosol

- Designed to resist fling-off (even in high speed applications)
- Protective coating dries white to ensure complete coverage
- Will not fling-off or attract dirt, sand or grit
- Wear and corrosion protection for long chain and sprocket life
- For chain applications, including 'O', 'X' and 'Z' ring units and roller chains

DID YOU KNOW?

Designed to withstand the harshest of weather conditions and exposure to salt water, Bel-Ray's founder and problem solver at heart, Bill Kiefer, developed the formula for Super Clean Chain Lube to protect the chrome on his boat. That same base formula has been enhanced to meet the demands of the most sophisticated equipment.
